5 September 202

Dear Parents and Carers,

Firstly, I hope that you all enjoyed a lovely summer. We are very much looking forward to the forthcoming academic year and to welcoming our learners tomorrow.

You are likely to be aware that the Met Office has stated that temperatures this week will be well above average for the time of year and that heatwave conditions are likely across Wales.

In light of this, we are happy for our learners to return to school in summer uniform for the remainder of this week. As year 7 pupils are unlikely to have purchased summer uniform, they may wear their PE kit.

Should your child wish to wear their winter uniform, there is no expectation for them to wear a tie or blazer.

The forecast is for a return to more normal weather for week beginning 11 September. Our expectation, therefore, is for pupils to adhere to the winter uniform from that date. We will confirm this at the end of the week.

In light of the above decision, please be informed that school photographs will now be taken on 27 of September and not 8 September as previously planned.

Yours sincerely

S M JONES

Headteacher
