05 July 2024

Dear Parents and Carers,

We are pleased to advise you that next week will mark Cardiff High School's second Cultural Appreciation Week. The aim of the week is to celebrate and further develop an understanding and appreciation of the cultural diversity of our school community.

Throughout the week, there will be a series of activities during form times, all of which will seek to celebrate and bring awareness of the diverse nature of our school. These will include Show and Tell, where pupils can bring in and talk about an object representing their heritage, creating heritage maps as a visual display of cultural diversity and listening to culturally diverse music.

In addition to the activities throughout the week, pupils will have the opportunity to come to school on **Friday 12th July** wearing clothing which represents their cultural heritage. This may represent one culture, or could be multi-cultural in nature. On this day, we would like to invite learners to bring a contribution of £1 to support our designated charity which will be **Doctors Without Borders/Medecins Sans Frontieres**. This contribution can be brought into school on the day, or paid via ParentPay.

We look forward to celebrating Cultural Appreciation Week, and sincerely hope that all of our learners will enjoy a rewarding and educational experience.

Yours sincerely,

Ms B. Yarrow

Student Leadership and Diversity Officer

Doctors Without Borders/Medecins Sans Frontieres
