

March 2015

Year 11 - Study Leave Information Evening
Monday 23rd March
Neuadd Celyn – 5.30pm

Dear Parent / Guardian

We would like to invite you to a Study Leave Information Evening regarding preparation for the final GCSE external examinations. Study leave commences on Friday 8th May and with examination modules in a number of subjects it is imperative that all pupils are fully prepared in order to achieve their full potential.

As a result, we have created an extensive Study Leave time table with departments providing numerous opportunities for additional support and it is crucial that parents are made aware of this provision.

At this important time we think it is essential that we work as a partnership. It is therefore recommended that all Year 11 parents attend the meeting, which will be held on **Monday 23rd March 2015. We would appreciate if you were able to join us in the Neuadd Celyn by 5.15pm for a prompt 5.30pm start.**

In light of a shortage of space, it is not necessary for your son/daughter to attend.

I hope that you are able to attend this meeting which I am sure you will find extremely informative.

In this letter I have also included a **'School Based Revision Sessions'** timetable of the extra support that is currently being provided by departments during lunch time and after school. Further to this I have attached a **'Student's Personal Revision Timetable'** which pupils have been given during registration time in order to plan their revision time wisely in what is a crucial stage in preparing for their examinations.

Yours faithfully,

Mr D Rhodes
Head of Middle School

Y11 Science Surgery Timetable 2015

Subject	Date
Chemistry	Mon 9 th Mar
Biology	Tues 17 th Mar
Physics	Tues 24 th Mar
Chemistry	Tues 14 th April
Biology	Tues 21 st April
