As we head towards the close of another school year, I would like to give my heartfelt thanks to the staff, the governing body, parents and carers for your continued support.

The academic year 2023-24 has been hugely rewarding, with many highs throughout the year. We have been delighted with our sporting opportunities and successes; with our drama productions and concerts; with our vast and varied range of enrichment opportunities and, of course with the high level of engagement in the classroom.

We have had an extremely busy exam season, with record entries for the school. We were delighted with the way in which our students remained focused throughout and look forward to results' days in the summer.

Highlights in the last few weeks of term have included Parental Engagement Events, the Year 11 Prom, Year 13 Leavers Dinner, Sports Days, Health and Wellbeing Days, School Trips, the junior show – Matilda, and the Cultural Appreciation week.

Of course, the year has not been without challenge. We continue to grapple with increasing costs and diminishing resources, teacher recruitment, embedding Curriculum For Wales and new GCSE's.

As always, our staff at the school have been fully committed to overcoming these difficulties and enriching the learning experiences for our students. They will, I am sure, continue to do so in the next academic year.

May I take this opportunity to wish you all a safe and enjoyable summer.

S M JONES
Headteacher
