Year 9 Final Options Pupil Information

Completing my Final Options

This is your opportunity to make your final selection of the subjects which you wish to study next year when you start Year 10. There are some subjects which will be compulsory:

- GCSE Mathematics
- GCSE Mathematics - Numeracy
- GCSE English Language
- GCSE English Literature
- GCSE Double Award Science (some pupils may study Triple Science after consultation with the Science department)
- GCSE Welsh Second Language
- Games (non-examination)
- Religion & Philosophy (non- examination)

How will I complete my Final Options Choice?

You will complete your options online again using the Careers Wales Options Website:

There will be a link to this website from the main school website

The Options Menu will only be OPEN for you for a limited period and will close on **Wednesday 20th March 2019**.

You MUST complete your options before this date.

How to complete the Options Menu:

1. **Log in** using the username and password which you were given before the Learning Pathways Day.
2. Click on **"In my School"** from the menu on the left hand side
3. Then click on **"My Options"** - this will open up the Final Options Menu for you to select your optional subjects
 - YOU NEED TO CHOOSE **4 SUBJECTS**
 - **THERE ARE CERTAIN RESTRICTIONS** on some combinations – the system will prevent you from choosing these (E.g. you cannot choose the same subject in two columns)
 - Make sure you Click on **SAVE** at the bottom once you have entered your choices
4. If you need to look at information again choose
Courses : OPTIONAL COURSES

Here you will find information about all the subjects offered to you next year at Cardiff High School. Please read this information carefully – it is important you make INFORMED DECISIONS

5. Click on **"Lets Explore"** for lots of relevant and up-to-date information about different Careers and Qualifications.
You will find a lot of useful information!
