April 2019

Parents/Carers of Students at Cardiff High School

Dear Parent/Carer,

Following the changes made to our school uniform last year we received concerns from the School Parliament and a significant number of parents regarding the loss of the colour red within our school uniform, with many saying that the gender neutral uniform was now predominantly black.

In response to this the Governing Body is proposing some slight adjustments to the blazer, tie and school badge. These will include the incorporation of red piping to the blazer collar and pockets and the inclusion of more red and the school name on the badge as well as the introduction of slightly more red in the tie. These changes will only apply to the students entering Year 7 in 2019 in the first instance and there will be no increase to prices.

As the Chair of the Governing Body I am consulting parents on their views on these changes.

If you have any views on the above, please put them in writing to Mrs Debbie Macho, Clerk to the Governing Body at the above address or by email to dmacho@cardiffhigh.co.uk. The deadline for this consultation is **12 noon on Thursday 11 April 2019.**

May I take the opportunity to thank you in advance for taking part in this consultation.

Yours sincerely,

MRS NONNY MATTHEWSON
CHAIR
CARDIFF HIGH SCHOOL GOVERNING BODY
