Dear Parent/Carer

On behalf of the Sixth Form Achievement Team, I would like to take this opportunity to congratulate our Year 13 students on their hard work and dedication to their studies throughout their time in the Sixth Form. They have been role models and ambassadors for the school and wider community and are held in high regard by staff. They have dealt with the recent situation respectfully and with a high level of maturity.

We wish all our students success in their future pathways and we hope to get together as a school to celebrate their time with us.

May I also take this opportunity to thank you as parents/carers for your constant support throughout your son/daughters school career.

Yours sincerely

S M JONES
