

Dear Year 11

I hope you and your families are all well, and that you are managing to keep busy and active as best you can.

Should you be thinking of taking Sociology as a subject next year, I've included a selection of reading and websites you may find useful in your preparation.

These are only suggestions so please don't feel that you need to look at them all. Sociology is a truly fascinating subject which will give you a greater understanding of the world around you and your place in that world.

Happy reading!

This is the Sociology section of the WJEC website. It has the specification that we'll be following as well as resources.

<https://britsoc.co.uk/what-is-sociology/>

This website is very useful as it gives an overview of what sociology is as well as links to areas we will be studying throughout the course.

<https://www.sociologystuff.com/>

This website has a great deal of resources that will be of use.

I hope that's of some use and interest. If you have any specific questions, please email me – [jw@cardiffhigh.co.uk](mailto:jw@cardiffhigh.co.uk)

Many thanks, and stay safe

Mr Wise
