

SNAP Cymru

Cardiff Advocacy Service

cardiff.advocacy@snapcymru.org

In Cardiff we provide an Independent ALN Advocacy service to Children, Young People and any person acting as a case friend (a case friend includes a parent/carer) for the child or young person.

SNAP Cymru's Independent ALN advocacy service provides: information, advice, representation and support to children and young people with ALN issues and any person acting as a case friend.

Advocacy is crucial in ensuring their wishes and views are heard at all times, safeguarding children and young people and empowering them to speak up for themselves.

To access Snap Cymru's Cardiff Independent Advocacy Service, simply e-mail: Cardiff.advocacy@snapcymru.org providing your name and contact details and a member of the team will get back to you.
