Dear Parent/Carer,

## **RE: Welcome to Key Stage 5 Information Presentation for Parents**

We were very pleased to welcome Year 12 students to Cardiff High Sixth Form. All students have settled in well to the sixth form and have made a pleasing start to their AS courses.

At the start of each Key Stage we arrange an information evening for parents and carers of our students. However, due to COVID mitigation measures, this is unable to take place in a physical form this year.

We still feel that it is extremely important to welcome you as parents/ carers to Key Stage 5 and share with you important information about the sixth form. To talk you through the information, we have produced four presentations for you to view:

- 1. Welcome to Key Stage 5 – An overview by the Head of Upper School**
- 2. An explanation of the Assessment and Guidance booklet available to download**
- 3. An explanation of ALPs – A Level Performance System (This has been introduced to students during their tutorial period)**

Additionally, there is the Year 12 Welcome Booklet & Assessment Mapping document for you to download.

All presentation and documents are found on the school website in the Key Stage 5 area under the tab Welcome to Key Stage 5: Information for Parents and Carers.

If you have any questions after viewing the presentations, please contact the sixth form.

Yours faithfully

**Mrs. K. Dilks**  
Head of Upper School
