13 July 2022

Dear Parents/Carers,

As you may be aware, the Met Office has issued a rare severe weather warning for Wales in relation to extreme temperatures. This warning is due to commence on the weekend with the strong possibility of continuing into next week.

Whilst we have a very popular summer uniform option, we would like to ensure that all of our learners remain as comfortable as possible during this period of exceptional weather. As a consequence, we are permitting pupils to attend school in non-uniform for the week beginning 18<sup>th</sup> July.

Our expectation is that pupils may attend school in cool clothing but that the items worn are appropriate for school.

Please may we politely remind you to ensure that your child applies sunscreen during this period and also that your child brings water or a water bottle, which can be re filled from the numerous water fountains, as necessary.

Yours sincerely

S M JONES

Headteacher
