15 July 2022

Dear Parents/Carers,

The Met Office severe weather warning, for next week, remains in place and is currently at amber level for most parts of Wales.

From Monday 18 July to Thursday 21 July, we are offering all learners the option of attending school in **casual, cool clothing**. Please note, expectations surrounding the wearing of jewellery and piercings remain in place.

Please be advised that students will be required to wear items that are appropriate for school and in keeping with the need to prevent sunburn.

Friday 22 July is a designated non uniform day and we would be grateful for a £1 donation to support our designated charities – *Bronwen's Wish* and *For Luca*.

If your child has been invited to the Sports Presentation Evening on Monday 18 July, they may wear cool comfortable clothes, rather than their school uniform, should they wish.

During the course of break and lunch times next week, dedicated areas for learners to remain in the building will be available.

Please may we politely remind you to ensure that your child applies sunscreen during this period and also that your child brings water or a water bottle, which can be re filled from the numerous water fountains across the school, as necessary.

Yours sincerely

S M JONES

Headteacher
