Dear Parent/Carer

English Language Classes for Parents/Carers

We are pleased to be able to offer English Language classes for parents/carers at Cardiff High School and are delighted to invite parents from our cluster primaries. The classes will operate on an informal and supportive basis and will be run by our specialist teacher for English as an additional language, Ms Fraczkowska. Our aim is to support parents / carers who may wish to develop their conversational English.

Our sessions will be held at **Cardiff High School** on alternate Mondays from 9:05am to 10:00 am. This will be aimed primarily for **beginners** and on alternate Wednesdays from 1:10pm to 2:05pm for **intermediate/advanced** learners.

These will start on Monday 3 October and Wednesday 5 October, respectively.

If you are interested, please email Ms O'Neil: oneiln6@hwbcymru.net to register your interest. Ms Fraczkowska will welcome you in the reception area on your first day of classes.

Yours sincerely

S M JONES

Headteacher
