Dear Parents and Carers,

Industrial Action

You will be aware that industrial action is due to take place once again on the following dates:

- February 14
- March 15
- March 16

In light of this, having undertaken a risk assessment which has been endorsed by the Local Authority, as a safeguarding measure, the school will be closed to all pupils on Tuesday 14 February 2023.

We are aware that ongoing negotiations between the trade unions and the Minister for Education and Welsh Language are ongoing and will update you accordingly with regard to further planned industrial action.

Yours sincerely

S M Jones

Headteacher
