Dear Parent / Carer

Thank you for joining us at the Parental Engagement Event in relation to Wellbeing and Mental Health on Thursday 29<sup>th</sup> June. It was a pleasure to meet with you and to share our thoughts, our strategies and some of our research within this very important area.

Understandably, not all of you were able to attend and we have received numerous requests for copies of the presentation. This has now been uploaded to our school website under News > Latest New & Letters.

For ease, please also see below for a direct link.

We would be very grateful if you could spare a few minutes to complete a short survey outlining your thoughts on the presentation.
