Dear Parent/Carer,

We are writing to remind you that it is our *Year 6 Open Evening* on Thursday 26th of October 2023.

The evening will be an opportunity for us to welcome you and your child and share with you both the subject specialist areas throughout the school, and the extra-curricular clubs we have here at Cardiff High School.

The evening will run between 4pm and 6pm, where there will be a formal address from our Headteacher, Mr. S. M. Jones at 4.15pm and 5.15pm, and an opportunity to tour the school as a whole. Please note that parking may be very limited on the school site, so please be mindful of this and potentially plan ahead for this.

We look forward to welcoming you on the evening.

Yours Faithfully,

Mrs. L. Richards

**Head of Lower School**
