Dear Parents and Carers,

## RE: Parental Engagement Event - Pupil Wellbeing – Thursday 4 July

Following my letter last week, please be advised that the session is likely to last about 45 minutes. We are aware, of course, that it is the day of the General Election.

As we will be touching upon sensitive matters eg Sexting, we would politely request that that you do not bring any children to the event.

As highlighted last week, please find below a link and a QR code which will allow you to reserve tickets for the above event. Please may I politely request that you arrive at 4.50pm in readiness for a prompt 5pm start.

We look forward to seeing you on Thursday evening.

Yours sincerely

Allison Yarrow

Deputy Headteacher
