Dear Parents / Carers.

We have been made aware of recent social media activity encouraging pupils to take part in inter-school violence next week. As a precaution, all secondary schools in the city are working closely with the Local Education Authority and the police have been notified.

Please be advised that this social media activity is not just happening in Cardiff, it is a national trend across the UK.

Could I kindly ask you to make your child aware that encouraging others to commit acts of violence is a criminal offence and anyone who shares, reposts, and encourages this behaviour could face consequences if they do so.

School will be open as normal next week and we expect all pupils to attend as normal. The school will continue to monitor this situation closely and will continue to work with the local authority and other relevant agencies.

Yours sincerely

S THOMPSON  
Acting Headteacher
