

Improve your Revision.  
Improve your Grades.

---

# How **not** to revise...

Re-read your notes or read a 'revision guide'

Go straight to past papers and struggle through questions you don't know how to do, so look up the mark scheme and copy the answer

Highlight your notes or a 'revision guide'

Copy out your notes 100000 times, in different colours

# How to make revision **effective**...

✓ **Organise your brain**

✓ **Learning**

✓ **Practise**

# ✓ Organise your brain - write all the knowledge you need in one place

## Brain Dump

Select a specific topic

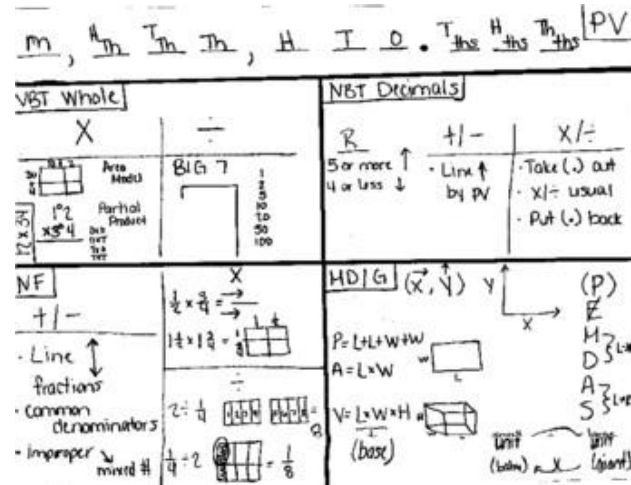

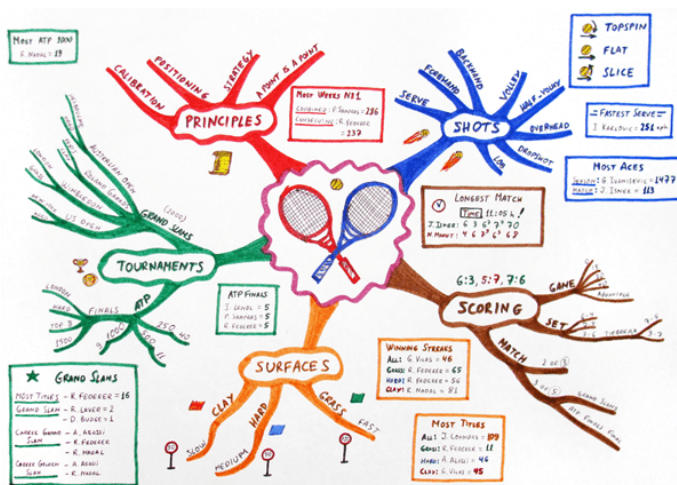

From memory, write down all you can recall

When finished, look over your notes or a revision guide and add anything you missed

## Knowledge Organiser

One-to-two page A4 documents

Outlines core facts, essential vocabulary, and key concepts for a specific unit of work

# ✓ Learning – test yourself on the knowledge

## Quiz

Write yourself questions to test your knowledge

Write answers on a separate sheet

Answer the questions yourself or ask a friend to test you

## Flashcards

Write yourself questions (don't just copy notes!)

Write answers on the back

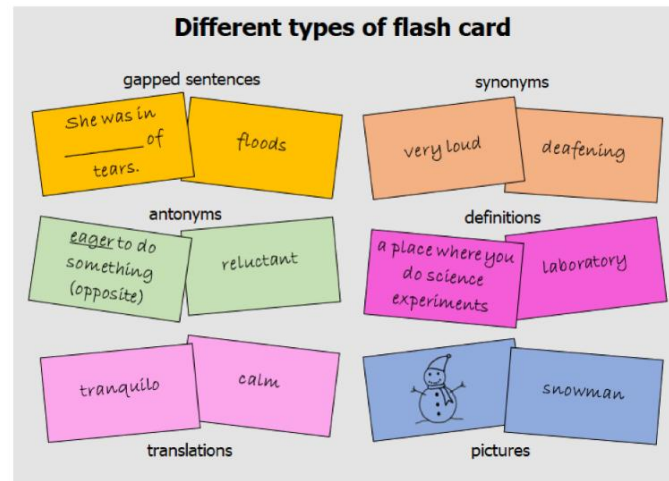

Shuffle the cards each time you use them

### GIANT 'An Inspector Calls' Quiz!
