18 March 2026

Dear Parents/Carers

As we approach the end of another half term, I want to take a moment to recognise the hard work, determination, and positive attitude shown by our pupils over the past weeks, which has been very busy for older pupils with examination assessments and preparations. All pupils have approached their learning with real focus and resilience. I would also like to thank the many parents who attended the recent exam information evenings and trust these have provided families with reassurance and helpful strategies ahead of the upcoming examination season.

As a school we work in close partnership with Careers Wales and are pleased to be able to share with you their spring newsletter which provides up-to-date news, guidance and information to help families support their children as they make important and informed career decisions. Please use this link to access [Careers Wales Spring Newsletter](#).

Cardiff Council are currently undertaking a statutory consultation on proposals across the city and have asked us to distribute a number of letters to all parents. Please see attached.

Over the Easter break, there is an exciting opportunity for pupils to participate in both Netball and Football camps organised by Cardiff University. Further information and how to book a place can be found in the flyers attached to the email.

Furthermore, I am sure you will be aware of the sad situation in Kent where there has been an outbreak of Meningitis B. Public Health Wales (PHW) has provided all schools with guidance to share with families. PHW have been liaising with UKHSA and can confirm that the current outbreak is limited to close contacts of students attending the University of Kent and that there are no confirmed cases in Wales. However, PHW have asked schools to share an information leaflet with families. Please find attached information in the link below.

[Protection against meningitis and septicaemia](#)

Finally, I would like to say "Eid Mubarak" to all our families celebrating Eid this week and hope you enjoy the celebrations at this special time.

Term finishes next Friday 27th March. I wish everyone a happy Easter and a restful break.

Yours sincerely

Mr S Thompson
Acting Headteacher
