Dear Parent/Guardian

Welsh-medium Secondary Education

Decisions about schools affect every part of family and community life, your children, your routines, your work, and your local area.

Cardiff Council ensures that every learner who wants a Welsh-medium secondary school place can access one. This includes all pupils in Welsh-medium primary schools, and pupils who may wish to transfer to Welsh-medium secondary schools at a later date.

We want to hear your views on:

- Short-term changes for the pupils entering secondary education in 2027/2028
- How to ensure an appropriate balance of Welsh-medium and English-medium secondary school places to serve Cardiff in the future

Your feedback will help us understand what matters most to you.

There are public engagements on the each of the issues above, running from **12 February to 26 March 2026**.

This is an opportunity to learn about potential options, ask questions and make comments. It is your chance to tell us what matters most, what concerns you, and what you hope for the future of Welsh-medium secondary education in Cardiff.

The Council has published Engagement Documents explaining the potential changes, school census and projection data in respect of pupil placements, and online response forms, which can be found on the Council's website at www.cardiff.gov.uk/welshsecondarieschools

The Council is keen that as many people as possible are aware of the public engagements, understand the potential changes, and how to express their views on them.

Your views are important to us, and we want to hear what you think about these proposals. You can

- Attend an in person public meeting, to ask questions and give your views.
