Dear Parents'/ Carers',

Year 11 PARENTS'/ CARERS' EVENING – Thursday 12th November 2026

I am pleased to inform you that the school will be holding a Year 11 Parents'/ Carers Evening starting promptly at 3.45pm on Thursday 12th November. Students will be on hand as guides throughout the evening, but otherwise, pupils should not attend the evening.

On arrival, please enter through the main reception area where you will be able to check where departments are based and also the names of staff that are absent. The main purpose of the evening is to receive a report on academic progress from your child's subject teachers. Should any other issues arise, please see the member of the Leadership Team who will be supervising the evening.

As a result of Parent/Carer feedback we will **not be running an appointment system**. Staff will have a demanding programme, and their time for a 5-minute slot, will be on a first come first serve basis, with a seated queuing system in operation. If you feel this is likely to be insufficient, please contact us to make alternative arrangements.

If you are unable to attend, unfortunately staff will not be able to provide individual feedback. However, in the unlikely event that a staff member is not in attendance, arrangements will be made for them to contact you.

Please take some time with your child to complete the form on the back of this letter and bring it with you on the evening, so that you know which teachers you need to see. Also, can you please click on the link below or scan the QR code below to let us know if you are able to attend the evening.

ACCESSIBLE SCHOOLS

It is the school's policy to make the school building accessible to all people where possible. If you have any concerns relating to any aspect of your visit, please inform us beforehand. We will then make arrangements for someone to meet you and accompany you around the building.

Yours faithfully,

L. J. Waters

Ms L Waters
